

Doing routine work at a residential property?

USE THE SINGLE ADDRESS TICKET TOOL IN E-STAKE

- No training required
- Easy to use! Simply select “Front of lot,” “Rear of lot,” “East side of lot,” “West side of lot,” “North side of lot,” “South side of lot” or “Entire lot.”
- Create utility-location request tickets online, anytime, in minutes!

Get started now at www.Arizona811.com

1. Click on [E-Stake](#)
2. From the drop down menu, click on [Excavator Single Address Ticket](#)

3. OR, from the E-Stake Home Page, click on the bottom link (**To Create a Homeowner or Company Single Address Ticket**) and follow the prompts:

ABOUT THE SINGLE ADDRESS TICKET

Homeowners, contractors and Arizona 811 members can easily create online requests to have utility lines marked at a single residential address. The

[Single Address Ticket](#) tool is intended for simple requests only — not multiple addresses, complicated locate requests, intersections or Emergency Requests.

Like other 811 tickets, it must be created at least two full working days before any type of digging is scheduled to begin and is valid for 15 working days.

Please remember to provide physical access to the job site by unlocking gates, providing gate codes if necessary, and making sure dogs and other pets are removed from the yard.

Use the **Single Address Ticket** even if you're not a regular E-Stake user. It's one of the many online tools Arizona 811 offers to help you save time and resources.

Call our Support Specialist Team at 602.659.7500 Ext. 2293 or email

Support.Specialists@Arizona811.com if you have questions about the **Single Address Ticket** or about becoming a regular E-Stake user.
